SCHEDULE 2

Conditions

1. Only changes to the Civil Aviation Act 1988, the Civil Aviation Safety Regulations 1998, the International Civil Aviation Organization- Technical Instructions for the Safe Transport of Dangerous Goods by Air, and the International Air Transport Association- Dangerous Goods Regulations, in force from time to time, may be reflected in the training course material without CASA approval.
2. A person may only undertake the training course listed as Item (e) in Schedule 1 if, within the two year period, as defined in CASR 92.090, immediately preceding their attendance at this course, they have undertaken a training course approved for Group F employees covering **all classes** of dangerous goods. Prior completion of the training course listed as item (d) in Schedule 1 meets this requirement.
3. The courses listed as Items (a), (b), (c), (d), and (e) in Schedule 1 may be delivered by distance education methods being by correspondence or web based training.
4. The courses listed as Items (d) and (e), in Schedule 1 may only be delivered by distance education methods being by correspondence or web based training.
5. The courses listed as Items (a), (b), and (c), in Schedule 1 may be delivered by classroom based (face-to-face) training.
6. Persons completing the course listed as Item (e) in Schedule 1 are limited in their duties to only those dangerous goods of the class, hazard division or UN number listed. This limitation must be clearly reflected in all course documentation and any certificate issued or course record maintained.
7. This approval is subject to a satisfactory standard of course being maintained.
8. The Civil Aviation Safety Authority may revoke this approval if it is necessary in the interests of the safety of air navigation.
